Welcome to our group! Our meetings are the third Wednesday of the month. Some are morning meetings, generally at the Creek Club in I'On Community at the end of Saturday Road. The balance of the meetings are evening meetings at various locations. Our website address is www.ionartist.com . **All meetings with times and locations are posted on the website!** We encourage members to check this site regularly for meetings and many announcements (shows, calls for entries, local events). You will also receive an e-mail reminder. **Call 216-7755** with questions.
